

CURRICULUM VITAE

Wai Gin (Don) LEE

MBChB PhD FRACS (Urol)

Personal details

Name	Wai Gin (Don) LEE
Address:	24 Manneby Prior Cumming Street London N1 9JA
Email address:	dwglee@gmx.com
GMC Registration	6087717
AHPRA Number	MED0001541301
MCNZ Number	33040
Qualifications	Bachelor of Medicine and Surgery (MChB) 2002 Doctor of Philosophy (PhD) 2015 Fellow of the Royal Australasian College of Surgeons (FRACS) 2018
PhD Thesis	β -blockade in Liver Cirrhosis: Effects on energy metabolism and glucose tolerance

Employment

Present employment

- 1st September 2020 - Royal Free London NHS Foundation Trust
Consultant Urologist
Divisional Digital Lead, Division of Transplant and Specialist Services
Lead, Network Surgical Hub, North Central London (NCL) Urology
Clinical Safety Officer (CSO)
Medical Appraiser, Medical Workforce
- 1st September 2020 - University College London Hospitals NHS Trust
Consultant Urologist
- 11th February 2022 - University College London (UCL)
Honorary Lecturer

Previous employment

- 10/2018 – 08/2020 Post-CCT Fellow in Andrology
University College London Hospitals NHS Trust
- 02/2018 – 08/2018 Locum Consultant Urologist
Barwon Health, Melbourne, AU
- 02/2017 – 02/2018 Urology Fellow
Barwon Health, Melbourne, AU
- 02/2016 – 02/2017 SET Trainee Urology
Royal Prince Alfred Hospital, Sydney, AU
- 02/2015 – 02/2016 SET Trainee Urology
Nepean Hospital, Sydney, AU

02/2014 – 02/2015	SET Trainee Urology Gosford Hospital, Sydney, AU
01/2013 – 02/2014	SET Trainee Urology Prince of Wales Hospital, Sydney, AU
12/2011 – 12/2012	SET Trainee Urology Whangarei Hospital, Northland, NZ
12/2010 – 12/2011	SET Trainee General Surgery Tauranga Hospital, Bay of Plenty, NZ
12/2007 – 12/2010	PhD Research Fellow University of Auckland, NZ
12/2006 – 12/2007	SET Trainee General Surgery Lower Hutt Hospital, Wellington, NZ
12/2004 – 12/2006	Basic Surgical Trainee General Surgery Auckland Regional Hospitals, NZ
08/2004 – 12/2004	Emergency Medicine Registrar Middlemore Hospital, Auckland, NZ
05/2004 – 08/2004	Post-graduate Year 2 House Officer Middlemore Hospital, Auckland, NZ
12/2003 – 5/2004	Post-graduate Year 2 House Officer Waikato Hospital, Hamilton, NZ
12/2002 – 12/2003	Post-graduate Year 1 House Officer Wairau Hospital, Blenheim, NZ

Executive Positions Held

Chair, Sub-committee on Male and Female Genito-urinary Reconstructive Surgery, European Society of Sexual Medicine	2022 -
Committee Member, British Society for Sexual Medicine	2022 -

Member, EAU/ESU Working Group: Andrology and Reconstructive	2022
Nepean Blue Mountains Local Health District Clinical Services	2015
Strategic Development Committee Representative	
Local Resident Medical Officer Engagement Group Representative, Whangarei Hospital	2011-12
New Zealand Resident Doctors' Association National Executive Member	2003-09
Resident Medical Officer Representative, Wairau Hospital, NZ	2002-03

Conference Scientific Committee:

Social Media team, BAUS Annual Meeting, Birmingham, UK	2022
European Professional Association for Transgender Health	2021

Conference Abstract Reviewer:

Urological Association of Asia Congress	2022
Urological Society of Australia and New Zealand Annual Scientific Congress	2022-3

Journal Reviewer: European Urology	2021 -
BJUI	2020 -
BJUI Knowledge	2020 -
Journal of Sexual Medicine	2021 -
Translational Andrology & Urology	2021 -

Professional Memberships

2021 -	International, European and British Societies for Sexual Medicine (ISSM, ESSM and BSSM)
--------	--

- 2020 - British Association of Urological Surgeons (BAUS)
- 2020 - EAU Section of Genitourinary Reconstructive Surgeons (ESGURS) – *Associate member*
- 2019 - World Professional Association for Transgender Health (WPATH)
- 2018 - British Association of Gender Identity Specialists (BAGIS)
- 2018 - British Medical Association (BMA)
- 2015 - European Association of Urology (EAU)
- 2014 - American Urological Association (AUA)
- 2012 - Urological Society of Australia and New Zealand (USANZ). *Admitted Full Member 2018*
- 2004 - Royal Australasian College of Surgeons (RACS). *Admitted as Fellow 4th February 2018*

Awards

- 2022 Winner - The Urological Foundation Trials Dragon's Den
- 2017 Australasian Urological Foundation Travelling Fellowship
- 2012 Travel Grant, International Diabetes Federation/Western Pacific Region Congress
- 2011 Presidential Award, Asian Pacific Association for the Study of the Liver
- 2010 International Students' Forum, Beijing, China

Grant Awards

Lee, WG Intracavernosal aviptadil/pentolamine for treatment of refractory erectile dysfunction

Unrestricted Educational Grant

£4000

Scholarships

ESU-ESAU-ESGURS Masterclass on Erectile restoration and Peyronie's disease	2022
Inaugural ANZUP Preceptorship in Prostate Cancer, Melbourne, AU	2015
Internship, Chief Medical Officer of New Zealand, Ministry of Health, Wellington, NZ	2012
Health Research Council of New Zealand Clinical Research Training Fellowship	2008-10
Royal Australasian College of Surgeons Foundation of Surgery Research Scholarship	2008
Lecturer in Surgery, Faculty of Medical and Health Sciences, University of Auckland, NZ	2008
Summer Research Studentships:	
Canterbury Medical Research Foundation	1999 and 2000
Otago Medical Research Foundation	1998

Invited Faculty

2022

BJUI Lecture: The Peyronie’s patient – when and how to operate? *Urological Society of Australia and New Zealand (USANZ) Annual Scientific Meeting, Gold Coast, Australia*

Gender re-affirming surgery (transmasculine) – an overview. *Urological Society of Australia and New Zealand Annual Scientific Meeting, Gold Coast, Australia*

Penile prosthesis and Peyronie’s disease: an overview. *European Association of Urology Congress 2022, Amsterdam, the Netherlands.*

Chairperson (Debate): Primary erectile dysfunction post radical prostatectomy: to rehabilitate or not? *European Association of Urology Congress 2022, Amsterdam, the Netherlands.*

Hormone blockers in transgender and non-binary adolescents. *The British Society for Sexual Medicine Annual London Conference 2022, London.*

Penile reconstruction for lichen sclerosus, *European Society for Sexual Medicine (ESSM), Rotterdam, the Netherlands.*

2021

Surgical management of buried penis, *World Meeting for the International Society of Sexual Medicine (WMSM), Tokyo, Japan*

Safe access for bladder entry in transgender men following penile reconstruction, *Genito-urinary Reconstructive Surgeons (GURS) Masterclass, London*

Panelist, *Diversity and Inclusivity in Healthcare Conference, Oxford*

Transmasculine genital gender affirmation surgery, *International Continence Society (ICS) meeting, Melbourne, Australia*

2019

Management of gangrene post penile prosthesis insertion, *EAU Section of Genito-urinary Reconstructive Surgeons (ESGURS) meeting, Prague, Czech Republic*

2015

Peyronie's disease and erectile dysfunction, *HIV/Sexual Health Mentoring Programme, Adelaide, Australia*

Invited Webinars

2022

Update on the surgical management of Peyronie's disease. *AstraZeneca Urology Summit 2022, Johannesburg, South Africa.*

Complex genital reconstruction. *Reconstructing the Stereotype Conference 2022, Imperial College London, London.*

2021

Transmasculine genital gender affirmation surgery, *Edinburgh University LGBT+ Medics (EUMLGBT), Plastic Reconstructive and Aesthetic Society (EUPRASS) and Renal and Urology Society (EURUS)*

Erectile dysfunction – the challenging patient, *Boston Scientific*

1. Cardiovascular disease and morbid obesity optimisation
2. Renal insufficiency and post-renal transplant

How to set up a centre for penile prosthetic surgery, *European Society for Sexual Medicine Surgical Academy*

Erectile dysfunction international training by e-learning, *Societa Italiana di Urologia*

1. Non-surgical management of erectile dysfunction
2. Surgical management of erectile dysfunction

Total phallus reconstruction following penile cancer, *European Association of Urology UROmotion*

Presentations at International Meetings

Prizes

Contemporary surgical and functional outcomes of anterolateral thigh flap for penile reconstruction. **(Best abstract)**

Lee WG, Adasonla K, Ralph D, Christopher N. ESGURS Madrid 2022

Penile prosthesis implantation and Peyronie's disease: how to approach the residual curvature; a detailed demonstration of moulding technique and grafting procedure. **(Best video)**

Chiriaco G, Maher E, Lee WG, Ralph D. ESSM Rotterdam 2022

Female-to-male gender affirming surgery: the pedicled pubic phalloplasty and radial artery free-flap urethroplasty. **(Best video)**

Chiriaco G, Venturino L, Lee WG, Johnson M, Christopher N, Ralph D. ESSM Prague 2019

Do beta-blockers reduce energy expenditure in patients with liver cirrhosis? (**Best Oral Presentation, 2nd prize**)

Lee WG, McCall JL, Gane E, Murphy R, Plank L. Asian Pacific Association for the Study of the Liver 21st Congress, Bangkok 2011

American Urological Association (AUA)

2021

- Penile prosthesis implantation and Peyronie's disease: how to approach the residual curvature. A detailed demonstration of the moulding technique and grafting procedure (video).
- Ultrasonography and magnetic resonance imaging are accurate for penile fracture.
- Case series on the surgical management of penile foreign body injections
- Corporal reconstruction using lightweight mesh during penile prosthetic surgery.
- Novel classification of urethral complications in female to male gender affirmation surgery.

2020

- Female-to-male gender affirming surgery: the pedicled pubic phalloplasty and radial artery free-flap urethroplasty (video).
- Outcomes of anterolateral thigh flap phalloplasty in the United Kingdom

British Association of Urological Surgeons (BAUS)

2022

- Pre-operative imaging for the diagnosis of penile fracture

2021

- Intracavernosal aviptadil with phentolamine mesylate should be offered for treatment of refractory erectile dysfunction

2020

- Corpora cavernosa reconstruction for penile prosthetics surgery using a lightweight mesh: a viable alternative? A single centre experience
- Penile necrosis requiring total phallic reconstruction following insertion of penile prosthesis

European Association of Urology (EAU)

2021

- Surgical and functional outcomes of anterolateral thigh (ALT) flap phalloplasty for gender affirmation surgery.
- Novel classification of urethral complications in female to male gender affirmation surgery.
- Intracavernosal aviptadil with phentolamine mesylate should be offered for treatment of refractory erectile dysfunction
- Ultrasonography and magnetic resonance imaging are accurate for penile fracture.

2020

- Fertility preservation and sperm quality in adolescent transgender patients prior to hormonal treatment

2016

- The use of portable video media versus standard verbal communication in the urological consent process: a randomised controlled trial.

EAU Section of Genito-urinary Reconstructive Surgeons (ESGURS)

2022

- Contemporary surgical and functional outcomes of anterolateral thigh flap for penile reconstruction.
- Ultrasonography and magnetic resonance imaging are accurate for suspected penile fracture
- Penoscrotal decompression: a new paradigm for managing prolonged ischemic priapism.

European Society for Sexual Medicine (ESSM)

2022

- Penile prosthesis implantation and Peyronie's disease: how to approach the residual curvature. A detailed demonstration of the moulding technique and grafting procedure (video).
- Ultrasonography and magnetic resonance imaging are accurate for suspected penile fracture

2020

- Novel classification of urethral complications in female to male gender affirmation surgery.
- Female-to-male gender affirming surgery: the pedicled pubic phalloplasty and radial artery free-flap urethroplasty (video).
- Fertility preservation and sperm quality in transgender patients prior to hormonal treatment.
- Arteriocavernosal fistula causing device auto-inflation following insertion of inflatable penile prosthesis.

European Professional Association for Transgender Health (EPATH)

2021

- Novel classification of urethral complications in female to male gender affirmation surgery.

International Society for Sexual Medicine (ISSM)

2022

- Contemporary surgical and functional outcomes of anterolateral thigh flap for penile reconstruction.
- Ultrasonography and magnetic resonance imaging are accurate for suspected penile fracture
- Penoscrotal decompression: a new paradigm for managing prolonged ischemic priapism.
-

Urological Society of Australia and New Zealand (USANZ)

2022

- Urethral complications are common following transmasculine genital gender affirmation surgery
- Lightweight mesh can be used for corporal reconstruction during penile prosthesis surgery
- Penile necrosis requiring total phallic reconstruction following insertion of penile prosthesis

2020

- Novel classification of urethral complications in female to male gender affirmation surgery.

2018

- Robotic assisted radical prostatectomies: effective collaboration between public & private sectors to improve access & outcomes for regional patients.
- Current status of training in robotic surgery in urology: Australia and New Zealand

- Outcome of laparoscopic and percutaneous insertion of Tenckhoff catheters in a regional centre.

2015

- Active surveillance for prostate cancer in a regional centre of Australia.

2014

- Should adjuvant radiotherapy be used routinely for patients with ‘adverse pathological findings’?
- Active surveillance for prostate cancer in a regional centre

2013

- Transvesical phenol nerve blocks improve continence in neurogenic bladder dysfunction

2005

- PET scanning for urological malignancies.

World Professional Association for Transgender Health (WPATH)

2021

- Surgical and functional outcomes of anterolateral thigh flap phalloplasty for gender affirmation surgery

Teaching

Faculty for urethral catheterisation at NHS Nightingale Hospital London (ExCeL centre) – nominated for UCLH Celebrating Excellence Award 2021

Insertion of inflatable penile prosthesis (video). Andrology Masterclass Study Day 2019, London, UK

Trainee Week, Urological Society of Australia and New Zealand 2018

Care of the Critically Ill Surgical Patient (CCrISP) Course Instructor 2015-2018

Voluntary contributions

Covid-19 pandemic

2021

- COVID-19 Vaccinator, Royal Free and Chase Farm Hospitals (team at CFH won “Non-clinical Team of the Year 2021”)
- Team leader for Proning team, Royal Free Hospital
- Family Liaison team, ICU Royal Free Hospital
- Volunteer nursing assistant, ICU Royal Free Hospital

2020

- Attended daily Theatre Planning meetings for Andrology to prioritise emergency and P2 elective operating
- Managed the SHO rota and prepared Fellow rota during first lockdown
- Core team that set up the Urgent Urology Unit at UCLH Tower block (managed emergency urology admissions because Urology hospital at Westmoreland Street became a green site)
- Set up and stocked flexible cystoscopy trolley (x2) at UCLH Tower
- Family Liaison Team at UCLH ICU – winner of the Top Quality Patient Care award at the UCLH Celebrating Excellence Award 2021
- Urology on call at NHS Nightingale Hospital London (ExCeL centre)
- Proning team, UCLH ICU

Non-urological Presentations

2012

Nadolol impairs beta-cell function in patients with liver cirrhosis. *International Diabetes Federation/ Western Pacific Rim 9th Congress, Kyoto, Japan*

Beta-cell function in patients with liver cirrhosis. *Endocrine Society of Australia Annual Scientific Congress, Gold Coast, Australia*

Beta-blockade and beta-cell function in patients with liver cirrhosis. *New Zealand Society for the Study of Diabetes Annual Scientific Meeting, Auckland, New Zealand*

2011

Do beta-blockers reduce energy expenditure in patients with liver cirrhosis? *Asian Pacific Association for the Study of the Liver 21st Congress, Bangkok, Thailand*

Do beta-blockers worsen insulin resistance in patients with liver cirrhosis? *Asian Pacific Association for the Study of the Liver 21st Congress, Bangkok, Thailand*

2010

Do beta-blockers reduce energy expenditure in patients with liver cirrhosis? *New Zealand Society of Gastroenterology Annual Scientific Meeting, Auckland, New Zealand*

Liver cirrhosis and diabetes mellitus. *New Zealand Society of Endocrinology Annual Meeting, Queenstown, New Zealand*

2004-7

Spontaneous hepatic rupture. *American Hepato-pancreatico-biliary Association Annual Meeting, Las Vegas, USA*

Implementation of a pilot fast-track rehabilitation programme for open colectomy. *New Zealand Association of General Surgeons Meeting, Timaru, New Zealand*

Endovascular repair of mycotic AAA. *New Zealand Society of Vascular Surgeons Meeting, Wellington, New Zealand.*

Tutorial dynamics and participation: a student perspective in a multi-cultural setting. *9th National Forum on Prevocational Medical Education, Melbourne, Australia*

The surgical management of breast cancer at a small peripheral New Zealand hospital 1998-2003. *New Zealand Association of General Surgeons Meeting, Martinborough, New Zealand*
